*Thanks to Hilmar, David and Nico for their inspiration and commitment to this project; to Kjartan, Milan and Pierre for their care and attention to detail; to Andrés Þór for treating this music like it was his own; to Magdalena & David for help with the tour; to Mom & Luke, Dad and Karen and Austyn for supporting me from afar; to Elsa Lóa and Isabella for laughing at my dad-jokes; to Sunna for pushing me to do more than I thought I could...*

*... and to all of you for lending me your ears.*
